# Sustainability at the Core

At Kayu Indonesia Furniture, sustainability isn't just a commitment; it's the foundation of everything we do. We carefully source our wood from government-protected forests in Java, prioritizing the use of fallen or ailing trees to ensure that our materials are ethically and responsibly obtained.

## A Global Reach, A Personal Touch

From cosmopolitan cities to remote escapes, Kayu Indonesia Furniture brings the charm of Indonesian craftsmanship to a global stage.

## Exceptional Craftsmanship, Uncompromised Quality

Every piece at Kayu Indonesia Furniture is a masterpiece, crafted with precision and passion. Our artisans use traditional methods paired with innovative design, working with the finest Indonesian hardwoods. The result? Exquisite furniture that showcases the care and attention to detail behind each creation.

# Design Services

*Bespoke Design: Custom-Tailored for You and Your Clients*

At Kayu Indonesia Furniture, we go beyond offering ready-made pieces by providing bespoke design services that allow you to create your own signature collection.

We collaborate with businesses looking to develop their own exclusive furniture line. You can choose from our existing designs or submit your own, and we will work with you to bring your vision to life. Our full-service process takes approximately two months for design and pricing, followed by one month for creating the prototype. Once finalized, production of the entire collection typically takes 2-3 months, with seamless export to your country.

## Client's Testimonial

“

As an interior designer with a passion for sourcing unique, high-quality pieces for my clients, I'm always on the lookout for something that transcends the ordinary. Recently, I stumbled upon a small boutique furniture company, and I can't stop thinking about the level of craftsmanship and artistry they bring to their work. This is not just furniture; it's a transformative experience for any space, a perfect blend of organic beauty and sophisticated design”
